BOARD MOTION OF JULY 21, 2009, AGENDA ITEM 65-A 60TH STREET WEST AT AVENUE M-8

On July 21, 2009, your Board approved a motion directing us to install a 4-way stop at the intersection of 60th Street West at Avenue M-8 in the Quartz Hill area. Your action also required us to report to your Board with the status every 30 days until such time as the new signs are installed.

This intersection is shared jurisdictionally between the City of Palmdale (City) and the County. The approaches where the additional stop signs are requested are wholly within the City. The County has conducted an updated multiway stop warrant study in February 2011. The study showed that the intersection satisfied the collision warrant and the minimum traffic volume warrant was 96 percent met. We have forwarded the study to the City for their review and reconsideration of installing a multiway stop control at the subject intersection. We are waiting for the City's response and will report back within the next 30 days.

If you have any questions, please call me or your staff may call Patrick V. DeChellis, Deputy Director, at (626) 458-4004.
